

The Winter Wonderland is fast approaching and the PTA are making final arrangements!

We would like to invite both **parents** and **students** to rise to the challenge of this year's Bake-Off. Our show stopper challenge is to bake one large cake with a Winter Wonderland theme.

Limited cake boxes are available at reception but if you would prefer to use your own container please ensure that your box is clearly marked with:

Name and Learning Community or Email address.

Please attach the form below securely to your cake box and deliver your entries to the Hands Building before morning registration on the **7th December**.

This year's celebrity judge will be announced soon!
